HOW CAN WE HELP YOU?

When you get into trouble, you need an experienced solicitor who will give your case the time and attention it deserves. Our criminal defence team are on hand 24 hours a day, 365 days a year.

We deal with everything from traffic offences to more serious accusations, such as rape and murder. We'll handle your case with discretion and try to reduce the stress involved.

Proceedings often begin in the police station, where our legal advice is free. If you are charged with an offence, we will ensure you have the best representation, wherever your case goes.

SWIFT RESPONSE

If you've been accused of a crime, prompt legal advice is essential. Having legal representation on hand as soon as possible can mean the difference between acquittal and conviction.

Our team of criminal defence lawyers are on hand 24 hours a day, 365 days a year. So, if you do get into trouble, give us a call and we'll attend the police station to represent you within minutes. It's important you contact us as quickly as possible, in our experience those first few hours are crucial.

STRONG DEFENCE

If you are charged with an offence, you'll have one of the finest criminal defence teams in the South fighting your corner. We have an exceptional track record defending our clients in police stations, Magistrate's courts, Crown courts and at appeal.

We'll keep you informed at all times, and strive to protect you from the stress of the situation.

GENERAL CRIME

The combined experience of our team covers all areas of crime. We can defend you against anything from the most serious allegations such as murder, sexual assault and firearms offences, to lesser allegations involving theft and drugs.

We also specialise in accusations made against children and young adults, including defence against Anti-Social Behaviour Orders (ASBOs) and instances of police harassment.

MILITARY LAW AND COURTS MARTIAL

Being based on the South coast we have strong links to the armed forces. We've a fantastic record in defending servicemen at Courts Martial and police interviews. Whether you're facing a civilian or military investigation, we can help you.

BUSINESS CRIME

At Churchers we have always had a strong commercial focus. Over the years we've developed unrivalled local expertise in fighting prosecutions for "white collar crime".

We will defend you whether you're a business owner, board director or employee. We have a great record in defending our clients against accusations of fraudulent trading, corruption and theft. We can also defend you against all forms of HM Revenue & Customs investigations, including tax evasion and VAT fraud.

ROAD TRAFFIC OFFENCES

We can help motorists fight against everything from speeding charges through to more serious allegations, such as dangerous driving and driving while intoxicated.

A swift response is particularly important with accusations of this nature; it may not be just your driving licence at stake. Having legal representation on hand as quickly as possible can often prevent conviction, so if you do get into trouble, enlist our help as soon as possible.
