HOW CAN WE HELP YOU?

Divorce or separation is often a trying time for both you and your family, with emotions running high it can be easy to lose sight of the practical considerations.

We believe court proceedings should be your last resort, instead, we recommend mediation. Mediation is not relationship counselling; rather, it is a proven solution to help you make vital decisions about your family home, finances and providing a stable future for your children.

Our mediators are family lawyers with years of experience in dealing with relationship breakdowns. We have trained with Resolution, which means we are committed to minimising conflict and finding the solution that is in the best interests of you and your family.

SOLUTION

WE'LL HELP YOU TO GAIN THE BEST POSSIBLE OUTCOME

In our role as mediators we are not able to give legal advice, but you are free to consult with your solicitor at any point during the process.

WHAT CAN MEDIATION HELP YOU RESOLVE?

Mediation can help you with any issues arising from divorce and separation, but the most common issues mediation can help you with include:

- Helping you decide upon childcare
- Helping you to organise future finances
- Helping you to reach an agreement about accommodation arrangements

HOW MUCH DOES MEDIATION COST?

There is always the potential for legal fees to rack up if one or both parties are contesting parts of the divorce or separation.

Our mediation services are fixed cost, so no spiralling legal bill from us. Keeping you in control of the costs throughout the process.

Costs can be shared 50/50 between you and the other party, or in any other manner.

For more information on fees please contact our mediation team.

WHY SHOULD YOU CONSIDER MEDIATION?

MEDIATION PROVIDES AN IMPARTIAL SOUNDING BOARD FOR YOU AND YOUR FORMER PARTNER, HELPING YOU TO MAKE DECISIONS FOR YOUR FAMILY.

MEDIATION ALLOWS YOU TO SET YOUR OWN AGENDA AND MAINTAIN CONTROL OF THE PROCESS.

MEDIATION IS OFTEN BETTER FOR ANY CHILDREN INVOLVED. THE POTENTIAL IMPACT OF DIVORCE ON BOTH PARENTS WORKING TOGETHER TOWARDS A POSITIVE AND AMICABLE SOLUTION.

MEDIATION IS USUALLY THE MORE COST-EFFECTIVE SOLUTION.

MEDIATION AIMS TO REDUCE ANY TENSION BETWEEN YOU AND YOUR FORMER PARTNER, WHICH CAN HELP YOU TO FORM A WORKABLE RELATIONSHIP MOVING FORWARDS, AS WELL AS RELIEVING ANY STRESS.
