# HOW CAN WE HELP YOU?

Whether you're an individual or a business we're at your service. Whatever your concern, we'll provide you with cost-effective legal advice; it's been our speciality for 150 years.

## For You

### © MOVING HOUSE

Despite what they may tell you, the use of telephone and Internet-based 'bulk conveyancers' can increase the risks associated with buying or selling your home. Instead, we offer you a personal, easy-to-understand service, delivered by experienced conveyancing professionals.

### © WILLS AND PROBATE, TRUSTS AND TAX

Protecting your assets and getting the most out of them is important. We offer expert advice on creating tax efficient wills, maximising your earnings, management of trusts and gaining the full fruits of your investments.

### © PROBLEMS AT WORK

Inappropriate action by an employer, supplier or client is often easily resolved. But it's important to understand your rights and the options open to you, should things not improve. Our employment solicitors will treat your case with the delicacy it requires. We can help no matter the situation.

### © FAMILY AND CHILD LAW

If you're discussing divorce or separation with your partner, you will need advice on the legal process. We can help you decide on any issues relating to finances and property, as well as arrangements regarding your children.

### © PERSONAL INJURY CLAIMS

When you're the victim of an accident that wasn't your fault, your first priority is a speedy recovery and getting back to normal as quickly as possible. So, we'll do everything we can to get you what you deserve, with minimum fuss.

### © CRIME

When you get into trouble you need an experienced solicitor who will give your case the time and attention it deserves. Our criminal defence team are on hand 24 hours a day, 365 days a year.

We deal with everything from traffic offences to more serious accusations, such as rape and murder. We'll handle your case with discretion and try to reduce the stress involved.

### © HOUSING

While we all want to get along with the neighbours, there are times when you need to know the rights and obligations that come with your situation.

Whether you rent, own or let, if someone else is disturbing your use and enjoyment of the property then it may be time to act.

## For Business

### © BUSINESS START-UP

Venturing out on your own can be hard. Starting a business comes with long hours, stress and sometimes a period of living hand-to-mouth. Start-ups are fraught with risk, but you can minimise it with expert legal advice.

Our commercial team will help you identify risks, decide upon the best vehicle for your idea, and give advice on how to raise capital.

### © DISPUTES AND LITIGATION

When a dispute arises in business, it doesn't always have to come to court litigation.

Our dispute resolution team will exhaust all avenues before we resort to court to get you a favourable outcome. If it does come to court, you can rest easy; we have a fantastic win-ratio in commercial litigation cases.

### © COMMERCIAL PROPERTY

Whether your commercial property is for business, rent, or you just own it, the outlay involved can pose a serious financial risk. Our commercial solicitors offer you comprehensive advice on risk management, and how to get the most commercial value from your property.

### © DEBT RECOVERY

When a client goes into receivership, you need to act quickly to secure your interests.

So, as soon as you feel a debtor is starting to stall, get in contact with our debt recovery lawyers. The issue can often be resolved with a 'letter before action', and without a lengthy and costly court case. The sooner we're involved, the sooner we can get you a positive outcome.

### © EMPLOYMENT

Employment law can be a maze, so if you're unsure whether you're fulfilling your legislative requirements why not take our 'legal health check'. If it flags up any legal ills, we'll help you take the necessary steps to remedy them before there's any need for legal action.

Even the best organisations face issues from time to time. So, if a situation does arise, we can guide you through the process to ensure a swift and beneficial outcome for your firm.
